Note from Extended Care: We are trying new things to make it easier for pick-up. Please have patience with us as we are still working out the kinks to the new transition. At this time Extended Care schedule has been going like this....3:45 Snack in Cafeteria, 4:00 Outdoor Play/Weather permitting (Gym on Friday's) then upstairs to Extended Care room to finish off the day.

Extra hands are always appreciated...so please let us know if you can help.
