IMMANUEL LUTHERAN SCHOOL RECEIVES HIGH TEST SCORES

Immanuel Lutheran School received good news on scores from the Stanford Achievement Test, which was administered to students at the end of 2016/17 academic year. In April, ILS students completed the Stanford Achievement Test, which covers reading, mathematics and language in lower grades, and adds testing in listening and thinking skills, science and social sciences in the upper grades. The test is used to measure year-to-year growth in students, and provide a snapshot of how well the school is teaching its students in comparison to other area schools. Immanuel Lutheran School is proud to announce its students tested above their respective grade levels. One highlight is the 8th grade class graduating from our school with the education level equal to 10th grade students in the area. Individual student's results were shared with parents and guardians.

Welcome Back Wildcats and Welcome to New Friends

God has truly blessed us with so many friends. This year we want to welcome Dave Frank the Interm. Principal, Teresa Gifford and Susan Sonstegard as new Preschool Aides, along with Kathie Fricke as the new school cook.

Welcome to the WILDCAT PACK!

VOLLEYBALL CAMP HELD WITH FORMER UCM STANDOUT

ILS held a youth volleyball camp for second through eighth grade students during July 24-26. Former UCM women's volleyball student-athlete Taylor Linebach led the camp.

Thirteen girls took part in the camp, which focused on fundamental and game-play. Linebach used her experience playing collegiate volleyball at NCAA Division II UCM to lead the camp, and help those attending improve their abilities.

The ILS fifth and sixth grade volleyball season begins Sept. 7th with a road match at Trinity Lutheran School in Alma, Mo.
