Enrollment

We are excited to start a new school year here at Immanuel Lutheran and are thrilled that you will be joining us for the upcoming year.

Our enrollment process offers many advantages for our parents and administration.

The link below will direct you to your very own Gradelink Parent Portal where you have access to information about ILS and your child's progress.

New Students

<https://secure.gradelink.com/1146/enrollment>

Create an account by entering your email address and create a password.

Once you have created an account click on complete enrollment and follow the steps, you are on your way to having your very own Parent Portal.

Adding Second Student

<https://secure.gradelink.com/1146/enrollment>

Enter your email address and password; if you choose to use the same contact email address that was used for your first student, more than likely you will need to reset your password (unless you remember the password you created for new enrollment that was linked to your email address).

Note: this is Not your Gradelink Parent Portal password.

Reset password and complete enrollment by entering student information into a personalized file for your new student.

Returning Students

<https://secure.gradelink.com/Gradelink>

Just login with the School ID: 1146, your username and password and look for the Re-Enroll tab. Your information has been automatically stored from the previous year, just make sure information is up to date and after a few clicks you are done. Payment for Registration can be done on Gradelink or through ILS office.

If you have any problems, need to get your username and password, or just have general questions, our ILS staff would be happy to help you, just contact the office at 550-584-2854.

Thank you for your continued support. We look forward to a fantastic year!
